## Super Silent Power Air Pumps

Model	Flow		Pressure bar Mpa	Noise level dBA	Weight kg	Dimensions mm L x W x H	Power W
	l/min	cfm					
V10	10	0.35	>0.2	<35	1.3	129 x 122 x 101	10
V20	20	0.71	>0.2	<40	2.5	230 x 185 x 180	15
V30	30	1.06	>0.2	<40	3.5	245 x 202 x 205	25
V60	60	2.12	>0.3	<45	5.6	270 x 242 x 210	35

### Performance

10 to 60 l/min  
0.35 to 2.12 cfm

### Characteristics

Oil free design provides contamination free air

Designed to run several air stones from a single pump

Robust alloy casing absorbs noise for whisper quiet operation

Ideal for inside or outdoor use

Exceptionally low power consumption from only 10W

Suited to both intermittent and continuous duty use

### Connections

V10, V20: Plain, horizontal connector 10mm OD

V30, V60: Plain, horizontal connector 6mm OD

### Accessories in the box

V10, V20: Tubing, manifold kit with 4 outlets

V30: Tubing, manifold kit with 6 outlets, horizontal brass connector

V60: Tubing, manifold kit with 10 outlets, horizontal brass connector

### Accessory Options
